FREQUENTLY ASKED QUESTIONS

Question: Who are we?

Answer: We are a Stationery products manufacturing company based in Delhi, India. We have started our business in 2021, selling in domestic market and gradually, earn a reputed business name in international market.

Question: What products can you buy from us?

Answer: We manufacture and export premium quality school stationery products like pencils, wax crayons, geometry boxes, highlighter pens, Plastic rulers, Protractors, Set squares.

Question: Can we customize the product and packaging design?

Answer: Yes, we are absolutely OK with that. Both OEM and ODM are accepted. We have our profession team to customize the product and packaging design as per the buyer's requirement.

Question: Can we buy the product with our company logo and our company name?

Answer: Yes, of course. We export the products with buyer's company logo and company name with industry competitive prices.

Question: Can we get the samples from your factory? How long will be the lead time?

Answer: Yes, we offer sample. But it is for non-commercial purpose. Generally, it takes 3 – 5 days for existing samples. However, if the buyer want his / her own design, then it will take more time as per your specific requirement.

FREQUENTLY ASKED QUESTIONS

Question: What would be the cost of the sample?

Answer: We offer the product sample at free of cost. However, the shipping or courier charge would be borne by the buyer's company.

Question: How can we place the order?

Answer: First you have to sign the Performa Invoice (PI) and pay the certain amount in advance. We would manufacture the required products for you. After having finished the production, you have to pay the remaining amount before the dispatch. Finally, we will ship the products for you.

Question: When can I get the quotation?

Answer: We usually send you the quotation within 24 hours after we get your inquiry. However, if you are need the quotation very urgently, please tell us in e-mail or telephonically so that we could regard your inquiry on priority basis.

Question: What would be your mode of payment?

Answer: Generally, we export products in L/C payment terms. However, we are open to other payment terms depending upon the mutually agreed between consignee and the consignor.

Question: Can you send the products to my country?

Answer: Generally, we export products on FOB and CIF incoterms. However, depending upon the mutually agreement between the consignee and the consignor, we could arrange sending the products at your location.
